I am well organized in accomplishing the infinite details of a project. I have handled a broad range of design projects, with responsibilities in coordination of all phases of a project seeing it through to on-site project management.

My 30 years of experience in Interior Design and Architecture include:

- Healthcare
- Senior Living
- Hospitality
- Corporate
- Education
- Government
- Army barracks complex
- Federal prisons
- Historic preservation
- Sustainable design
- Performing arts center

These project phases include:

- Programming
- Space Planning
- Analysis of User Needs
- Schematic Design
- Design Development
- Preparation of Contract Documents
- Construction Administration
- Project Managements
- Budget and feasibility studies
- Construction documents on tenant build out spaces
- Selection of furniture, finishes and equipment
- Project and facilities management
- Procurement of sub-contract labor and contract administration
